Volunteering is a good way to serve your community or to accumulate community service hours. One of the key reasons for the success of the Montana Senior Games is our outstanding group of volunteers who dedicate their time and energy to making the Games run smoothly. Each year we anticipate many athletes from across Montana, other states and Canada to participate in our games. 2017 was the first year Pablo, Polson and Ronan have hosted the games. Our volunteers are a big part of why this area will be such a great place to compete.
