

Get into **THE GAME OF LIFE** with the **Wisconsin Senior Olympics** as a **Volunteer or Ambassador!**

If you could join in all the fun and excitement of participating in the Wisconsin Senior Olympics and not have to compete, would that interest you? Maybe you've thought about participating, but don't feel you're ready to bolt out of the gate or you don't have the time, yet something inside makes you want to come up to bat and give it a shot.

If so, you have a GOLDEN OPPORTUNITY to claim your first VICTORY during the games by becoming a VOLUNTEER or an AMBASSADOR today!

As a member of the **VOLUNTEER TEAM**, you will:

- Have fun meeting new people with common interests and making new friends.
- Make a powerful difference by helping seniors stay fit and enjoy life to the fullest.
- Most importantly, you will change your life by making a difference in someone else's!

As an **AMBASSADOR**, you will:

- Be a WSO advocate creating relationships within the community by conducting presentations & informing attendees of the benefits of participating in the Games.
- Have fun pursuing promotional and marketing opportunities and meeting new people.

And of course ... you will receive a FREE Wisconsin Senior Olympics T-shirt!

"I ran the mile for the first time in the Wisconsin Senior Olympics(WSO) in 2020 and loved the atmosphere and how well organized the event was. Having run distance events for many years, the WSO gave me new goals to train for that specific event and helped me develop a new routine. I would encourage any athlete looking to stay involved to participate to push yourself and keep you engaged with others."
